OUR JOURNEY SO FAR...

The journey so far was a roller-coaster ride for us. We kicked off with just a team of 2 individuals to be an expert team of more than 20+ creative brains.

Every day brought us a new challenge and our team made it look small on every occasion.

Throughout our journey we have served more than **600+** clients across the Globe

OUR **GLOBAL REACH** SO FAR...

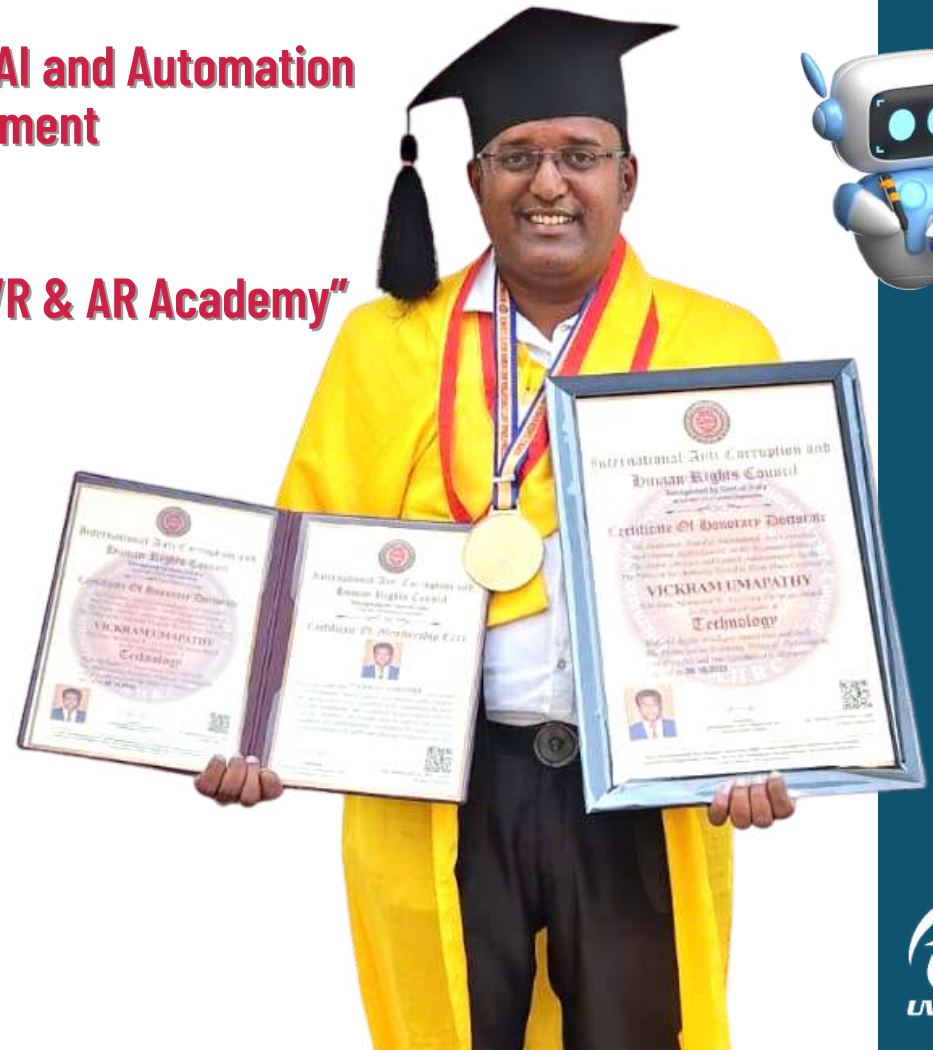

We have clients in India, Dubai, Sri Lanka, Australia, France, Switzerland, and Japan. The company is constantly expanding its reach by entering new markets and establishing partnerships with local and international companies.

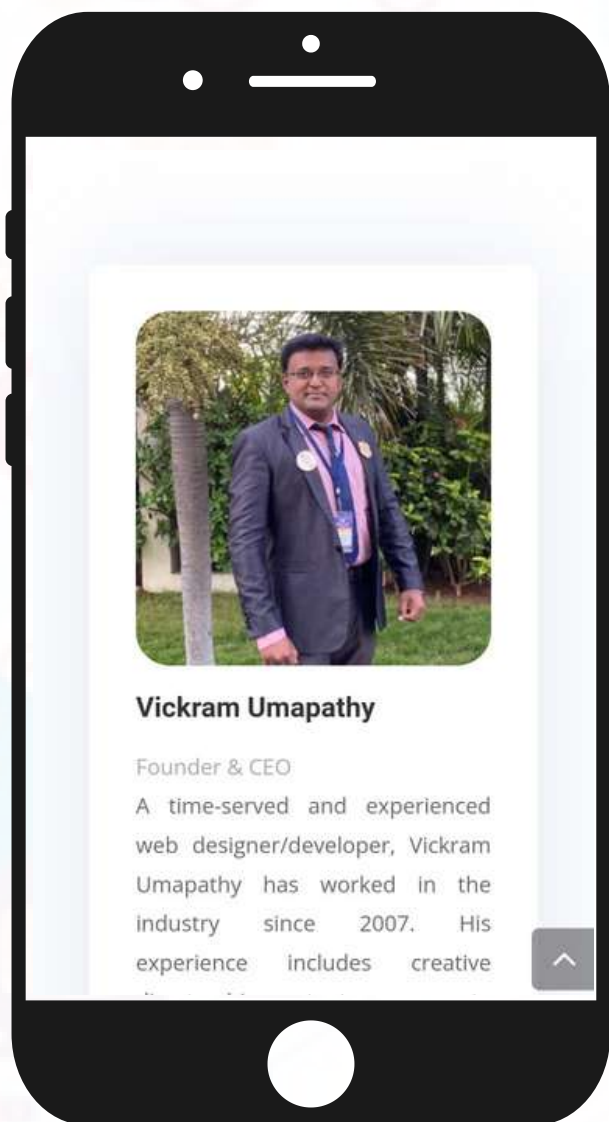

Global reach is a testament to the company's success in delivering innovative and effective software solutions to businesses worldwide.

7 Finance Reports

6 Sales Activity

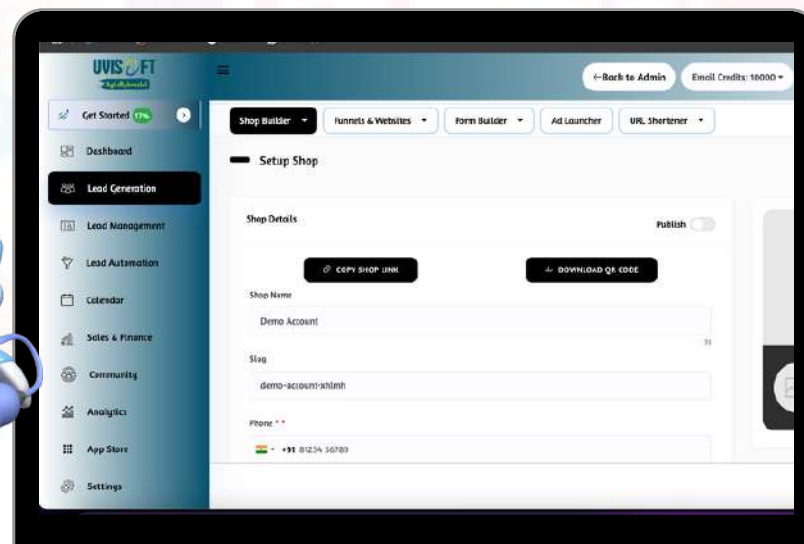

5 Lead Automations

USER PANEL SCREENSHOT

Dashboard

Lead Generation

This screen displays a list of contacts. It includes a sidebar with navigation options like Dashboard, Lead Generation, Lead Management, Lead Automation, Calendar, Sales & Finance, Community, Analytics, App Store, and Settings. The main content area features a 'Contacts' section with a table of contacts. The table has columns for Communication, Source, Group Name, Type, Tags, and Created on. A small robot icon is positioned between the dashboard and the lead generation screens.
